Port St. Joe, Fla.— A swimming advisory has been issued for the Dixie Belle Curve sampling location along Gulf County's Coastline after testing indicated bacteria levels exceeded the acceptable baseline for state requirements.

A swimming advisory will remain in effect for this area until further notice.

No other sampling location is under a swimming advisory at this time.

Routine testing will continue.

For more information, contact the Florida Department of Health in Gulf County at 850-227-1276.
